ON EARTH DAY, SATURDAY, APRIL 22, 2017
NOON TO 3 PM**

**Where? In the big parking lot at
Waterpark II on the NE corner of
Parker Rd & Havana**

What items can be recycled for FREE? Free Recycling of Computers, Towers, Laptops, Notebooks, Cell Phones, Office Phones, Pagers, Flat Screen Computer Monitors, Keyboards, Printers, Copiers, Fax Machines, Mice for Computers, Cables, Cords, Batteries, Radios, Stereos, Boom Boxes, IPODs, & Compact Fluorescent Bulbs (CFLs).

For questions about recycling other items, call Techno+Rescue at 303-482-2207.

CRT TVs & CRT MONITOR RECYCLING: The EPA classifies the lead, cadmium, barium and other fluorescents contained in CRT TVs and CRT monitor as hazardous materials which require proper disposal. The costs of proper disposal have gone up to the point that the Havana Business Improvement District can no longer provide free CRT recycling. We have worked out the following pricing schedule with Techno+Rescue for our 2017 event.

2017 RECYCLING FEES FOR CRT TVs and CRT MONITORS:

- LCD Monitors free
- **1st CRT Monitor or any type TV \$10 (if more than 1, smallest is charged at \$10)**
- CRT Monitors and any TVs under 36" - \$40
- Any TV 36" and over - \$60

For questions, call Techno+Rescue at 303-482-2207 Thank you for doing your part for Earth Day!
