COLORADO SPRINGS

In 1987, The Shortline Auto Group was founded, and for the past 31 years we have had the privilege of serving our customers and supporting our employees. We prospered on South Havana Street and grew Shortline into one of the largest multi-franchise dealerships in the state of Colorado.

Because of our success, opportunity presented itself. One that we felt was the best next move for Shortline.

We decided to sell three of our franchises to another Colorado auto dealer group with its own history of success. As of June 1<sup>st</sup>, Shortline Subaru, Shortline Hyundai, and Shortline Mazda are now owned by The Schomp Automotive Group. We wish them the same joy and success that we experienced serving our valued customers throughout Colorado.

This is who we are now.
