SUSS Buick GMC is now Shortline Buick GMC

Shortline purchased the SUSS dealership in October 2018

The Suss Family has been on Havana Street since Jim Suss Sr. purchased the Seifert Pontiac dealership in 1980 at 1301 S Havana. For the past 38 years, the Suss Family has operated the dealership, adding the Buick line in 2007 after purchasing the Mike Shaw Buick Dealership on Colorado Blvd in 2007. Pontiac was discontinued by GM in 2008, so the dealership became Suss Buick GMC.

The Suss Family did a major dealership remodel in June of 2011. The Suss Family has been a huge part of the Aurora Community, with Jim and Paul serving on many boards, rotary clubs and Aurora Chamber committees. Paul Suss was a founding member and first president of the Havana Business Improvement District. We thank Jim and Paul and their families for their contributions to Havana Street and wish them the best of luck in their future endeavors—including enjoying retirement and grandkids!
