More Tips - The Secret Service offers the below methods to detect counterfeit bills:

1. Hold a bill up to a light and look for a holograph of the face image on the bill. Both images should match.
2. Looking at the bill through a light will also reveal a thin vertical strip containing text that spells out the bill's denomination.

Construction & Water - On Havana Street Update

Havana Street 30 - Water Line Renewal Project begins

Aurora Water will improving the areas from 1st avenue north to 6th Ave along Havana. Bids were due to Aurora Water by Aug 28 and are currently being reviewed. No start date has been released for this project that I know of. Aurora Water will update the Havana BID on this project at the meeting on Oct 4 since it will definitely impact traffic and businesses along Havana.

Easterly Creek drainage basin project will be breaking ground later this fall.

HBID has been involved in this project since 2015 when Colorado Urban Drainage and Aurora Water approached us for input. The planning process has been completed and Aurora Water representatives will be presenting an update on the project on Oct 4th. The city of Aurora purchased the lot behind Shortline Mazda from Mike Naughton Ford back in 2015 for this project. Mike Naughton can use the lot for his overflow vehicles until construction starts. The plan is for a detention basin for flood control on the lot with a walking path around the basin and a park area, similar to Expo or Utah parks. **Access off of 1st Avenue between Havana and Moline will be restricted at times during the construction.**

Pick Up a Dumpster Day Coupon

Do you need to dispose of bulky items that can't be recycled or set out with the curbside trash? The city of Aurora wants to help you "Keep Aurora Clean" with a new coupon program to offset a portion of the cost of a trip to the Denver-Arapahoe Disposal Site (DADS) Landfill.

Coupons are worth \$40 each and will be available to Aurora residents only (one per household) on a first-come, first-served basis. To pick up your coupon, bring photo ID and proof of residence (mail reflecting an address in Aurora city limits) to one of the following locations:

* Oct. 1 to Nov. 30, Monday to Friday, 8 a.m. to 5 p.m.: Aurora Municipal Center, Neighborhood Services office (fourth floor), 15151 E. Alameda Parkway

* Oct. 6, 11 a.m. to 2 p.m.: Martin Luther King Jr. Library, 9898 E. Colfax Ave.

* Oct. 6, 11 a.m. to 2 p.m.: Tallyn's Reach Library, 23911 E. Arapahoe Road

The coupons will be valid through Dec. 31, 2018. Depending on how much trash you bring, the pre-coupon cost for a landfill trip ranges from about \$70 to \$95 for a car/pickup.

This year there will be no "Dumpster Day" On Havana Street.

For more information, such as prohibited items and hours of operation, go to AuroraGov.org/KeepAuroraClean.

Can you imagine skipping a meal just so your kids will have enough to eat? Or having to choose between paying the heating bill and buying groceries? Nearly 1 in 7 Colorado kids, may not always know when or where they will get their next meal. For many Colorado families, situations like these are becoming more common. These were just a few reasons why we partnered with Virginia Court Elementary School to host a food drive for the students and families at Virginia Court

Elementary School. We would like to thank our American Family customers that supported our food drive!
