WALK-IN SERVICES

Worried about a sports injury? Is a bug bite bugging you? Is it just a scratchy throat or could it be strep? Don't worry about running around town for blood work, X-rays, and other diagnostic testing; we have all of the technology to make your visit worthwhile!

Every member of our courteous, and professional staff is here to answer your questions and add a much-needed dose of comfort to all procedures. From start to finish, you'll feel right at home at Metro Urgent Care. We pledge to provide you with the most accurate information possible. We treat all non-life threatening emergencies, so rest assured, we are here to help you feel better!

URGENT CARE SERVICES

At Metro Urgent Care, we know that feeling your best is your top priority, but when your schedule gets hectic, it can be hard to take care of yourself. That's why we're here. Our expansive list of services, along with our compassionate staff, is here to provide the most convenient, most effective treatments available to get you back on your feet in no time. Equipped with durable medical equipment, a wide assortment of over-the-counter medications, and the lowest prescription costs available, our compassion extends to your wallet, too.
