"The authentic community dining traditions of Ethiopia can be found inside this discrete locale.

Eat from the same platter as your company and use injera, the spongy Ethiopian bread, as a substitute for utensils. Try the lamb tibs: pieces of tender lamb in a red chile sauce joined by cooked spinach and creamy sweet corn. Bonus: There's a dance floor."

Havana North/Fan Fair: “Argenta” is the name for the new mixed-use development proposed for the former Fan Fair site at 3rd and Havana.

The property was successfully rezoned from PD to mixed use in the summer of 2017 and we have been told to anticipate a ground breaking in the spring of 2019.

The plan calls for a combination of town homes and multi-family units in proximity to retail, office, and live/work units, as well as a plaza with splash park and food truck row.
