Did you know...

Comitis serves over 111,000 meals to those experiencing homelessness every year and more than 90 people each month access CCN's food pantry for support. This is one of our biggest fundraisers and donations will be used to purchase perishable food and supplies throughout the year and to support our kitchen and Colfax Community Network's food pantry.

How Do I Get Involved?

1. Get a team together: 3-4 racers and a Pit Crew to cheer you on
2. Give your team a name, get costumes, and decorate your cart!
3. Fundraise – Individuals AND Corporations can help

Fundraising

There are Platinum, Gold, and Silver team Divisions based on fundraising levels. We encourage you to collect donations for your team and see if your employer will match your team's donation. 100% of the donation is tax-deductible.
