Aurora Restaurant Relief Grant Program Open only from Jan. 4 to 14

Are you an Aurora restaurant struggling with payroll or business rent hardships?

You might qualify for a grant up to \$10,000 from the Aurora Restaurant Relief Grant Program, funded by \$1 million in CARES Coronavirus Relief funding from Arapahoe and Adams counties, to meet business rent and payroll expenses (with appropriate documentation demonstrating need as a result of COVID-19 impacts).

Restaurants that previously received funding through the city of Aurora's first three rounds of AER grant funding are not eligible for the Restaurant Relief Program. Grant funding may not duplicate needs funded by other programs or grants received by the applicants.

Eligible businesses include:

- Restaurants, including any liquor-licensed establishment holding a hotel and restaurant license
- Bars, including those that hold a liquor license for on-premise consumption
- Breweries, wineries and distilleries that operate an attached sales room
- Caterers

TO APPLY: The application link will be posted Monday, Jan. 4, at AuroraGov.org/RR.

Applications are due by 11:59 p.m. Thursday, Jan. 14.
