

Building Community Relationships for Energy Action

Xcel Energy Partners in Energy Network Event

Join us for our first in-person event since 2020! This event will focus on ways to engage and empower partners, featuring a panel of community-based stakeholders from across Colorado. Reconnect in-person with other community leaders and learn about effective approaches for going beyond traditional engagement and empowering diverse groups to take ownership of local energy action. See the agenda below!

- 2:00–2:30 p.m.** Welcome and Networking
- 2:30–3:00 p.m.** Stakeholder Panel: Listen to a facilitated discussion with a panel of community stakeholders.
- 3:05–3:35 p.m.** Small Group Conversations: Rotate between tables and share ways to engage different types of stakeholders.
- 3:35–3:45 p.m.** Gallery Walk: Discover what others discussed by viewing their group idea boards.
- 3:45–4:00 p.m.** Report Out and Wrap Up: Hear key takeaways from each group and the event.

When: June 6, 2022 at 2–4 p.m. MT

Where: Edgewater Civic Center, 1800 N Harlan St., Edgewater, CO

For those who are unable to attend our in-person event, there will be a virtual recap of the event later in June.
